Experience:

- **Giganci Programowania (05/2022 – present)**
Programming Instructor

As a programming instructor I'm introducing young students to the world of IT. I teach them the basics of programming languages such as C#, JS, C++ and others. My previous experience helps me introduce them to different techniques for visualizing a problem and then how to solve it.

Education:

- 10/2021 – 06/2024
University of Technology, Białystok, Poland
Degree: Computer Science and Econometrics Bachelor
Fields of study: Computer Engineering

On Politechnika I am going forward IT. I would like to try new things and look for my specialization. In carrying out the duties associated with my University, I am obligated to think outside the box.
- 09/2017 – 03/2021
Secondary Technical School of Electrical Engineering, Białystok, Poland
Degree: Technician of Computer Science
Fields of study: IT

In high school I gained a profession as a technician in information technology. This school showed me how many development options I could choose from.
Member of the programming club.
Two months of traineeship in IT company (I worked there as support programmer, had contact with customers).

Skills:

- Technologies: C#, Azure, JavaScript, VueJs, MySQL, PL/SQL, basic knowledge of PHP
- Tools: Azure, Git
- Languages: English B2

Achievements and certifications:

- Microsoft Certified: Azure Fundamentals – Exam AZ-900
- Cisco CCNA course
- EE.09 Website and database programming, creation and administration
- EE.08 Assembly and operation of computer systems, peripheral devices and networks
